THE IRRIGATION LAWS (AMENDMENT) BILL, 1977

A

BILL

further to amend the Malabar Irrigation Works (Construction and Levy of Cess) Act, 1947 and the Travancore-Cochin Irrigation Act, 1956.

Preamble.—WHEREAS it is expedient further to amend the Malabar Irrigation Works (Construction and Levy of Cess) Act, 1947 and the Travancore-Cochin Irrigation Act, 1956, for the purposes hereinafter appearing;

BE it enacted in the Twenty-eighth Year of the Republic of India as follows:—

1. *Short title and commencement.*—(1) This Act may be called the Irrigation Laws (Amendment) Act, 1977.

(2) It shall come into force at once.

2. *Amendment of Madras Act VII of 1947.*—In the Malabar Irrigation Works (Construction and Levy of Cess) Act, 1947 (Madras Act VII of 1947),—

(a) in section 2, after clause (c), the following clause shall be inserted, namely:—

"(cc) "lift irrigation work" means an irrigation work by which water for irrigation purposes is supplied with the aid of pumping sets or other mechanical devices;";

(b) after section 16, the following section shall be inserted, namely:—

"16A. *Entrustment of lift irrigation works to co-operative societies.*—(1) Notwithstanding anything contained in this Act, the State Government may entrust the maintenance of any lift irrigation work constructed by them to co-operative societies of farmers benefited by such work, subject to such terms and conditions as may be prescribed.

Explanation.—For the purposes of this section, "co-operative society" means a co-operative society registered or deemed to be registered under the Kerala Co-operative Societies Act, 1969 (21 of 1969).

(2) Where the maintenance of any lift irrigation work is entrusted to a co-operative society under sub-section (1), the State Government may authorise the collection by such society of the water cess levied under section 12 or section 15 in relation to such irrigation work, or any portion of such water cess, subject to such terms and conditions as may be prescribed."

3. *Amendment of Travancore-Cochin Act VII of 1956.*—In the Travancore-Cochin Irrigation Act, 1956 (VII of 1956),—

(a) after section 8, the following section shall be inserted, namely:—

"8A. *Construction of minor irrigation works by Government.*—(1) Notwithstanding anything contained in sections 6, 7 and 8, the State Government may, if they consider it necessary in the public interest so to do, construct a minor irrigation work on any land belonging to them or vested in a local authority or acquired by them for the purpose, without following the procedure specified in the said sections:

Provided that no such work shall be constructed on any land vested in a local authority without the previous permission of that local authority.

(2) The provisions of this Act shall, so far as may be, apply in respect of a minor irrigation work constructed under sub-section (1) as if it were a minor irrigation work carried out under section 8.";

(b) after section 16, the following section shall be inserted, namely:—

"16A. *Entrustment of lift irrigation works to co-operative societies.*—(1) Notwithstanding anything contained in this Act, the State Government may entrust the maintenance of any lift irrigation work constructed by them to co-operative societies of farmers benefited by such work, subject to such terms and conditions as may be prescribed.

Explanation.—For the purposes of this section, "co-operative society" means a co-operative society registered or deemed to be registered under the Kerala Co-operative Societies Act, 1969 (21 of 1969).

(2) Where the maintenance of any lift irrigation work is entrusted to a co-operative society under sub-section (1), the State Government may authorise the collection by such society of the cess levied under section 15 on lands benefited by such irrigation work, or any portion of such cess, subject to such terms and conditions as may be prescribed.".

STATEMENT OF OBJECTS AND REASONS

Under the Malabar Irrigation Works (Construction and Levy of Cess) Act, 1947 (Madras Act VII of 1947), which is in force in the Malabar area of the State and the Travancore-Cochin Irrigation Act, 1956 (VII of 1956), which is in force in the Travancore-Cochin area of the State, lift irrigation works are to be maintained by the Government. It has been found to be costly for the Government to maintain those works as the Government have to engage persons on turn duty paying regular monthly wages to operate the pump sets. The cess collected in respect of the lift irrigation works is not sufficient to maintain those works. It is felt that if the maintenance of lift irrigation works

is entrusted to co-operative societies of farmers benefited by such work, they can make suitable local arrangements for the purpose and the money set apart by Government for the maintenance of such works can be used for providign new lift irrigation works. It is, therefore, proposed to make provisions in the said Acts for entrusting the maintenance of lift irrigation works to co-operative Societies of farmers benefited by such works and also for authorising such societies to collect the whole or a portium of the water cess leviable from the lands benefited by such works.

2. Considerable delay is being experienced by following the procedure of inviting and hearing objections, etc., laid down in sections 6, 7 and 8 of the Travancore-Cochin Irrigation Act, 1956, before minor irrigation works are constructed at the cost of the Government. Consequently, construction of new minor irrigation works in the Travancore-Cochin area of the State is considerably hampered. It is, therefore, proposed to amend the Travancore-Cochin Irrigation Act to enable the Government to construct minor irrigation works without following the procedure laid down in sections 6, 7 and 8 of the Act. The Malabar Irrigation Works (Construction and Levy of Cess) Act, 1947, does not contain any such provision and therefore, the problem does not exist in the Malabar area.

3. The Bill is intended to achieve the above objects.

FINANCIAL MEMORANDUM

The Bill, if enacted and brought into operation, would not involve any expenditure from the Consolidated Fund of the State.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Sub-section (1) of section 16A proposed to be inserted in the Malabar Irrigation Works (Construction and Levy of Cess) Act, 1947 (Madras Act VII of 1947), by sub-clause (b) of clause 2 of the Bill empowers the Government to entrust the maintenance of any lift irrigation work constructed by them to co-operative societies of farmers benefited by such work, subject to such terms and conditions as may be prescribed by rules. Sub-section (2) of the said section empowers the Government to authorise the collection by such society of the water cess levied under section 12 or section 15 of the Act in relation to such irrigation work, or any portion of such water cess, subject to such terms and conditions as may be prescribed by rules. Similar provisions are proposed to be inserted in the Travancore-Cochin Irrigation Act, 1956 (VII of 1956), as Section 16A of that Act by sub-clause (b) of clause 3 of the Bill.

2. The matters in respect of which rules may be made are of an administrative nature. The delegation of legislative power is, therefore, of a normal character.

THE CALICUT UNIVERSITY (AMENDMENT) BILL, 1977

A

BILL

further to amend the Calicut University Act, 1975.

Preamble.—WHEREAS it is expedient further to amend the Calicut University Act, 1975, for the purpose hereinafter appearing;

BE it enacted in the Twenty-eighth Year of the Republic of India as follows:—

1. *Short title and commencement.*—(1) This Act may be called the Calicut University (Amendment) Act, 1977.

(2) It shall be deemed to have come into force on the 9th day of September, 1974.

2. *Amendment of section 2.*—In section 2 of the Calicut University Act, 1975 (5 of 1975) (hereinafter referred to as the principal Act), in clause (16), the following shall be inserted at the end, namely:—

> "but shall not include a college which is administered and managed by a society registered under the Societies Registration Act, 1860 (Central Act 21 of 1860) and which is a joint and co-operative enterprise of the Central Government and the Government of Kerala;".

3. *Repeal and saving.*—(1) The Calicut University (Amendment) Ordinance, 1977 (8 of 1977), is hereby repealed.

(2) Notwithstanding such repeal, anything done or deemed to have been done or any action taken or deemed to have been taken under the principal Act as amended by the said Ordinance shall be deemed to have been done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS

The Regional Engineering College, Galicut, is affiliated to the Calicut University and is maintained and administered by a Society registered under the Societies Registration Act, 1860 (Central Act 21 of 1860). The cost of maintenance of the institution is met by the Central Government and the State Government. The college was established under a scheme of the Government of India for the establishment of Regional Engineering College in the country, one each in the major States, on the pattern envisaged by the

Government of India. Each college is regarded as a joint and co-operative enterprise of the Central Government and the State Government concerned, having autonomy both financial and administrative, but is affiliated to a University for the purpose of giving degrees as the Regional Engineering College is not authorised to give its own degrees.

2. The High Court of Kerala, in its judgment in W. A. No. 350 of 1974 has held that the Regional Engineering College, Calicut, is a "private college" within the meaning of that expression as defined in section 2 (16) of the Calicut University Act, 1975, as it is not maintained either by the Government or the University.

3. If the Regional Engineering College, Calicut, is treated as a "private college" coming under the purview of the Calicut University Act, 1975, the very purpose for which it was established will be defeated and it will lose its autonomy and its all-India character as envisaged in the scheme under which it was established. The Government may also have to pay the salary of the teaching and non-teaching staff if they come forward to execute the direct payment agreement. It was, therefore, considered necessary to exclude the Regional Engineering College, Calicut, from the scope of the definition of "private college" in section 2 (16) of the Calicut University Act, 1975.

4. As the Legislative Assembly was not in session, the Calicut University (Amendment) Ordinance, 1977 (4 of 1977), was promulgated by the Governor on the 26th February, 1977, for the above purpose. Though a Bill to replace that Ordinance by an Act of the State Legislature was published as L. A. Bill No. 5, it could not be introduced and passed during the last session of the Legislative Assembly which commenced on the 26th March, 1977 and ended on the 5th April 1977, for want of time, and consequently Ordinance No. 4 of 1977 would have ceased to operate on the 6th March, 1977. In order to keep alive the provisions of Ordinance No. 4 of 1977, the Calicut University (Amendment) Ordinance, 1977 (8 of 1977), containing the same provisions as in Ordinance No. 4 of 1977, was promulgated by the Governor on the 5th May, 1977.

5. The Bill seeks to replace Ordinance No. 8 of 1977 by an Act of the State Legislature.

FINANCIAL MEMORANDUM

The Bill, if enacted and brought into operation, would not involve any expenditure from the Consolidated Fund of the State.
